(John 20:21)

Craighead Mission School is located in Manchester, Jamaica. Pastor Winston Smith is the Director of this training school. It is equipping 20 leaders for local and global evangelism. Greg Amos and I had the great privilege of teaching, respectively, a class on Leadership and Mission.

The Lord led the school to make a commitment to pray for the world.

Pastor Winston and the story of Father Abraham.

Financial assistance was sent to Tacloban, Philippines. A Jamaican mission bureau has been set to encourage world mission activities. 7 Jamaican Missionaries are available for World Mission.

Please, pray for a roof for the school.
