Fresno School of Mission is announcing a four week course, “**Unlocking the Old Testament**”, taught by **Dr. Elmer Martens**, Author of **God’ s Design**.

Course: "Unlocking the Old Testament"

The four week course will address the question: "What is God up to?" We will investigate the four themes of God's design: deliverance, covenant community, experience of God and abundant living, as outlined in Exodus and as developed in the Old Testament.

Linkages to the New Testament and to everyday Christian Living will also be made.

Some Bible passages will be examined closely; ample time will be given for discussion.
