Jesus said “ All authority in heaven and earth has been given to me, therefore go and make disciples of all nations ..”

Matthew 28:18-20

“This is what the Lord says, Let not the wise boast of his wisdom or the strong man boast of his strength or the rich man boast of his riches, but let him who boasts boast about this: that he understands and knows me, that I am the Lord, who exercises kindness, justice and righteousness on earth, for in this I delight, declares the Lord” (Jer. 9:23-24 New Living Translation).

Greetings, my beloved Brothers and Sisters in Christ!

Thank you for your prayers. The goal of the mission trip to Kinshasa was three-fold: Teach Jeremiah, reach out to Mandarin-speakers in town, and mobilize interest in Sao Tome Principe.

At the Mission School we taught **the book of Jeremiah to 30 students**. During the 30 hours of training they produced a document reflecting on mission implications of the inner biblical theology within Congolese milieu.

Mandarin-speakers in Kinshasa are interacting with local people through business. More than 200 evangelical pastors accepted the challenge of having a conversation with Mandarin-speakers about Jesus Christ. Two thousand New Testaments in Mandarin are being used to connect local Christians with their neighbors. Let us pray for conversions.

Sao Tome - Principe are two islands located in the Atlantic Ocean. Local pastors need a Bible school to train church leaders. More than 5000 Congolese Christians are praying for Portuguese-speaking churches to come alongside Sao Tome and help them establish an evangelical Bible school. Join us in assisting Portuguese Bible teachers answer this urgent call.

Knowing Jesus Christ is the only exciting hope for women and men. Through Christo-centric biblical studies, God the Holy Spirit is transforming lives in Kinshasa. Many of our former students are instrumental in the spread of the Gospel locally and globally.

Please, join us in prayers for the establishment of a Mission School in Sao Tome Principe, for the conversion of Mandarin speakers in D.R.C. and for the training of Missionaries in Kinshasa, D.R.C.
